

GOVERNMENT ENGINEERING COLLEGE, GANDHINAGAR

PLACEMENT BROCHURE 2013-14

0100101111

About Us

The **Government Engineering College, Sector 28, Gandhinagar (GECGn)** was established in 2004 to give higher education in engineering and technology.

The institute is recognized by the All India Council of Technical Education (AICTE), New Delhi, and the Institute of Engineers (India).

The college is administered by the Commissionerate of Technical Education, Gujarat State, Gandhinagar, and is affiliated with Gujarat Technological University(GTU).

Message from the Principal

Started in 2004, Government Engineering College, Gandhinagar has emerged to be one of the premier institutes of the state. Strategically located nearby industrial zone of Gandhinagar- The capital of Gujarat state, GECG provides diversified and specialized engineering courses in the field of high tech education. The experienced faculties provide the best coaching to the students with equal focus on the theoretical as well as practical knowledge. The students are offered world class facilities to help them develop their technical skills along with development of the self. Although we have just yielded four batches so far, we have been attracting the apex industries for the recruitment. We hope that our students and your industry will match each other's requirements. We commit to deliver you the best that you wish for.

**Dr. RAJUL GAJJAR
PRINCIPAL, G.E.C.G**
